Dear Mr. Nicotra:

I had the great pleasure of celebrating with my husband David, the wedding of our daughter Kimberly Albertson to David Egan at the Hilton Garden Inn on June 25, 2005.

I cannot express to you what a wonderful affair it was. My telephone did not stop ringing the next day with calls from my guests telling me that it was the best Wedding they ever attended. David and I also received thank you notes from guests during the week that followed. Can you imagine that! This would not have been possible without you and your wonderful staff. My experience with the Hilton was nothing short of spectacular. Christine Messina, who was my sales person, left nothing to chance. Every detail up until the end of the evening was taken care of. I don't know what I would have done without her, but you already know that she is the greatest. No matter how many telephone calls I made to Christine, it was never a bother or a problem.

The reception was beyond magnificent. The wait staff are to be commended. The maitre'd was the best one could hope for and my daughter's bridal attendant Terry, was remarkable. She even made sure my husband's tux got the once over with an iron before he greeted our guests. How's that for service! The comments from my guests were that the staff was attentive to every need that they had, be it a glass of water or another cocktail. Each table had only wonderful things to say about the service. The food was delicious. The cocktail hour beautiful and the grounds where my daughter had her pictures taken were breathtaking. We had many guests stay overnight and the accommodations were great. Thank you for our room as well.

I could never thank you and your wife for the helping make my daughter's Wedding a dream come true. Your hospitality, grace and charm is so prevalent at the Hilton and is projected by your staff as well. Thank you so very much.. Please be assured that without question we will highly recommend your establishment. Please feel free to use me as a reference, it would be my pleasure to share with your future clients my wonderful experience with the Hilton..

Sincerely yours,

Cindy Albertson
