Dear Richard:

It was indeed a pleasure meeting you. Both Jayne Restivo and Frank Somma always sing high praises of you and your property.

I would like to personally take this opportunity to thank you and your staff for making our Board of Directors meeting such a pleasurable experience.

From dealing with Jessica Yaccarino, who is a sheer delight, to Gregorio and his waiters, to your audio/video person, Steve, it was a complete success. You have acquired such a fine staff and they should be commended.

Again Richard, thank you and we look forward to booking our next Board of Directors meeting with you.

Sincerely,

**COOLEY'S ANEMIA FOUNDATION, INC.**
