Richard -

At our first meetings with Sue, Joyce & I knew Nicotina Ballroom was the place to have Mom's 80th birthday celebration. What can I say that you haven't heard before? However, I'll try.

The Tea house is extraordinary - a wonderful room for any special occasion. Down to the smallest detail everything was just perfect.

The wait staff were wonderful, always smiling and eager to please. The food was delicious.

She are a funny bunch so that is saying volumes! I know we made the right choice.

Sometimes we forget it's the people behind the scenes that puts it all together. Having said that don't ever let Sue leave you. She is an extraordinary person. Very caring and kind.

Thanks for making Mom's 80th so special.
